Prepare a Home Earthquake Plan

Choose a safe place in every room—under a sturdy table or desk or against an inside wall where nothing can fall on you.

Practice DROP, COVER AND HOLD at least twice a year. Drop under a sturdy desk or table, hold onto the desk or table with one hand, and protect the back of the head with the other hand. If there's no table or desk nearby, kneel on the floor against an interior wall away from windows, bookcases, or tall furniture that could fall on you and protect the back of your head with one hand and your face with the other arm.

Choose an out-of-town family contact.

Take a first aid class from your local Red Cross chapter. Keep your training current.

Get training in how to use a fire extinguisher from your local fire department.

Inform babysitters and caregivers of your plan.

Eliminate Hazards

Consult a professional to find out additional ways you can protect your home. Such as bolting the house to its foundation and other structural mitigation techniques.

Bolt bookcases, china cabinets and other tall furniture to wall studs.

Install strong latches on cupboards.

Strap the water heater to wall studs.

Prepare a Disaster Supplies Kit for Home and Car

First aid kit and essential

medications: Canned food and can opener.

At least three gallons of water per person.

Protective clothing, rainwear, and bedding or sleeping bags.

Battery-powered radio, flashlight, and extra batteries.

Special items for infant, elderly, or disabled family members.

Written instructions for how to turn off gas, electricity. And water if authorities advise you to do so. (Remember, you'll need a professional to turn natural gas service back on.)

Keeping essentials, such as a flashlight and sturdy shoes by your bedside.

Know What to Do When the Shaking BEGINS

DROP, COVER AND HOLD ON! Move only a few steps to a nearby safe place. Stay indoors until the shaking stops and you're sure it's safe to exit. Stay away from windows.

In a high-rise building, expect the fire alarms and sprinklers to go off during a quake.

If you are in bed, hold on and stay there, protecting your head with a pillow.

If you are outdoors, find a clear spot away from buildings, trees, and power lines. Drop to the ground.

If you are in a car, slow down and drive to a clear place (as described above). Stay in the car until the shaking stops.

Know What to Do AFTER the Shaking Stops

Check yourself for injuries. Protect yourself from further danger by putting on long pants, a long-sleeved shirt, sturdy shoes, and work gloves.

Check others for injuries. Give first aid for serious injuries.

Look for and extinguish small fires. Eliminate fire hazards. Turn off the gas if you smell gas or think it's leaking. (Remember, only a professional should turn it back on.)

Listen to the radio for instructions

Expect aftershocks. Each time you feel one, DROP, COVER, AND HOLD ON!

Inspect your home for damage. Get everyone out if your home is unsafe.

Use the telephone only to report life-threatening emergencies.

Earthquake Safety

For Missouri's Schools

The New Madrid Seismic Zone Extends 120 Miles Southward from the area of Charleston, Missouri, and Cairo, Illinois, through New Madrid and Caruthersville, following Interstate 55 to Blytheville and on down to Marked Tree, Arkansas. The NMSZ consists of a series of large, ancient faults that are buried beneath thick, soft sediments. These faults cross five state lines and cross the Mississippi River in three places and the Ohio River in two places.

The New Madrid Seismic Zone and surrounding region is Active, Averaging More than 200 Measured Events per Year (Magnitude 1.0 or greater), about 20 per month. Tremors large enough to be felt (Magnitude 2.5 - 3.0) are noted every year. The fault releases a shock of 4.0 or more, capable of local minor damage, about every 18 months. Magnitudes of 5.0 or greater occur about once per decade. They can cause significant damage and be felt in several states.

The Highest Earthquake Risk in the United States outside the West Coast is in the New Madrid Seismic Zone. Damaging temblors are not as frequent as in California, but when they do occur, the destruction covers over more than 20 times the area due to the nature of geologic materials in the region. The 1968 5.5 magnitude Dale, Illinois earthquake toppled chimneys and caused damage to unreinforced masonry in the St. Louis area, more than 100 miles from the epicenter. A 5.2 magnitude earthquake in April 2008 in southeast Illinois, did not cause damage in Missouri, but was felt across much of the state.

A Damaging Earthquake in this Area, which experts say is about a 6.0 magnitude event, occurs about once every 80 years (the last one in 1895 was centered near Charleston, Missouri). There is estimated to be a 25-40% chance for a magnitude 6.0 - 7.5 or greater earthquake along the New Madrid Seismic Zone in a 50-year period according to the U.S. Geological Survey reports. The results would be serious damage to unreinforced masonry buildings and other structures from Memphis to St. Louis. We are certainly overdue for this type of earthquake!

A Major Earthquake in this Area - the Great New Madrid Earthquake of 1811-12 was actually a series of over 2000 shocks in five months, with several quakes believed to be a 7.0 Magnitude or higher. Eighteen of these rang church bells on the Eastern seaboard. The very land itself was destroyed in the Missouri Bootheel, making it unfit even for farming for many years. It was the largest release of seismic energy east of the Rocky Mountains in the history of the U.S. and was several times larger than the San Francisco quake of 1906.

When Will Another Great Earthquake the Size of Those in 1811-12 Happen? Several lines of research suggest that the catastrophic upheavals like those in 1811-12 visit the New Madrid region every 500-600 years. Hence, emergency planners, engineers, and seismologists do not expect a repeat of the intensity of the 1811-12 series for at least 100 years or more. However, even though the chance is remote, experts estimate the chances for a repeat earthquake of similar magnitude to the 1811-1812 New Madrid earthquakes over a 50-year period to be a 7 - 10% probability.

What Can We Do to Protect Ourselves? Education, planning, proper building construction, and preparedness are proven means to minimize earthquake losses, deaths, and injuries.

This flier could be distributed by school districts to each student annually to satisfy the requirements of RSMo160.455

To be listed on the "A" honor roll, a student must make no grade lower than an "A-" in each of the subjects of reading, spelling, math, language, social studies, and science.

At the end of the school year an award will be given to student's specifying Quarter A or B Honor Rolls.

Eighth Grade Graduation

Students in eighth grade will be promoted to ninth grade, have the opportunity to participate in the eighth grade graduation ceremony, and purchase a graduation ring if the following requirements are met:

1. Cannot fail more than 2 core subjects. A yearly average of 59% or below in communication arts, mathematics, science or American history is considered failing.

*Note: At the discretion of the principal, the student may be promoted if he/she has good attendance and makes adequate progress in the class work.

An eighth grade student/or any student will not be able to graduate/be promoted to next grade level if a student is absent for more than 10 days for the school year without a doctor's excuse or other proper medical documentation.

*Note: At the discretion of the principal, the student may be promoted if he/she has good attendance and makes adequate progress in the class work. A parent/guardian may request a hearing with the Board of Education to appeal this decision.

2. Student must pass the United States Constitution Test and the Missouri Constitution before graduation.

Valedictorian and Salutatorian

The selection of the Eighth Grade Valedictorian and Salutatorian will be determined by the Grade Point Average (GPA) in Reading, Math, Language Arts, Science, and Social Studies in grades 5 through 8. The student must be enrolled in Centerville R-1 School for the entirety of the eighth grade year to be eligible.

Discipline Procedures

When a student is sent to the office for disciplinary action, parents/guardians will be notified if possible and it will be determined if a conference is warranted. Failure of the student to come to the office when requested or to accept the assigned punishment will result in suspension. Anytime a student is sent from a class due to misconduct, that student must automatically report to the principal.

The discipline code is intended to be an illustrative, but not an exclusive, listing of acts of misconduct and the consequences for each. Misconduct that is not specifically listed in this regulation may be deemed to warrant discipline up to and including expulsion following provision of all due process procedures. In addition, the disciplinary consequence listed for each offense and subsequent offenses may be increased or decreased by the administration or the Board of Education due to mitigating or aggravating circumstances.

Health Services

Children will continue to use the benefits of having a full-time nurse available at the Reynolds County Health Center next door to the school. In addition to basic screening procedures and emergency first aid, the nurse will provide information on good health practices, assist families in securing corrective health services, and keep a record of student's health issues.

Immunization Requirements

State laws regarding immunizations of all students attending school reads: "It is unlawful for any student to attend school unless the child has been immunized against polio, diphtheria, measles, and rubella or unless exemptions have been signed by a physician or a parent/guardian for religious reasons and filed with the school by the first day of classes."

Headlice and Nits

The Centerville Board of Education feels it is imperative to prevent the widespread infestation of lice; therefore, the following procedures will be followed to control the situation when students are found to be infested:

Purpose: To protect all students and school staff from exposure to head lice or nits.

To provide guidelines for students and their family and to identify infested students.

Policy: All students K through 8th grade are examined monthly and/or as deemed necessary for head lice or nits by the school nurse, or an appointed school employee who is trained to identify lice or nits. Infected individuals are not to be allowed to participate in school or extra-curricular activities until adequate treatment for lice is obtained. School personnel regarding treatment for and prevention of lice and nits will instruct Parents/guardians. All infected individuals must be treated with the appropriate medication. A second treatment is required 7-10 days after the initial treatment.

Procedure: The school nurse will set an as needed schedule for the students to be examined. Absent students will be checked by school nurse the day they return to school. If the nurse should discover head lice or nits on a student, the parent/guardian of that child will be notified, and the child will be removed from the school. All siblings of the child living in the same household will also be checked. The school nurse will instruct the parent/guardian concerning various shampoos and sprays that can be purchased for head lice/nits, and will also give information concerning necessary procedures to be taken to ensure that the head lice and nits are eradicated. **To be readmitted to school, a child must be accompanied by a parent/guardian or relative, and must be examined by a doctor or the school nurse. If eggs are still present, the child will be sent home until all the nits are removed from the hair.** The child will be excluded from riding the bus until he or she has been rechecked by the school nurse. If head lice/nits are found a second time, the school personnel will notify parents and the child will be required to provide a signed statement from the parent/guardian and must state when and with what shampoo the child was treated. If a student is found to be infested three times in the school year, the principal will notify the Division of Family Services.

Textbooks

Textbooks and library books will be issued to students at no charge. However, should a textbook or library book be lost or severely damaged, students will be responsible for paying to replace them. Every student is obligated to give his or her books the best of care.

Student Planners

All students in grades 3-8 will receive a planner for their use. It is designed as an organizational tool for students and parents. Each student will write assignments and classroom information in the planner each day. The planner will be used a communication tool between teacher and parent.

ATTENDANCE-TARDY POLICY

Attendance Policy:

Centerville School believes that it is imperative that children attend school on a regular and ongoing basis. The learning process is a continuous act that requires student participation. Each student's attendance record is checked on a regular basis. Student absences beyond 5 days per semester are considered excessive. When absences reach 5 days in a semester, parents will be sent a notification letter.

Absences that reach 7 days per semester are considered critical to the student's progression to the next grade level. Based upon Missouri School Improvement guidelines, all students are required to have a 90% attendance rate. If your child does not maintain a 90% attendance rate, parents/guardians will be asked to conference with the Superintendent.

Students will have the same number of days to make up work as the number of days absent for the first five (5) days per semester and any excused absences thereafter. Any work missed while absent and not turned in by the due date may be recorded as a zero.

Absences will be considered excused for the following reasons:

- a. Doctor's Excuse
- b. Death in the Family
- c. Prior approval by the superintendent due to unusual hardship; and or
- d. Verification by the school nurse of an illness, a condition which deems an absence from school

Any student who is absent ten (10) days per year without prior approval from the superintendent, a doctor's excuse or other proper medical documentation, may not be promoted to the next grade level. Notification will be made to the Division of Family Services Personnel and/or Juvenile Authorities.

The parent/guardian has the right to meet with the superintendent and the board of education to discuss their child's placement in the next grade.

Tardy Policy:

A student will be allowed three (3) tardies each quarter. Thereafter, one day of Saturday School or In School Suspension will be given for each additional tardy unless prior approval from Superintendent.

Illness

A child who has a temperature elevation or shows signs of illness should be kept at home. If it becomes necessary to remove a child during school hours due to illness, the parents will be notified. An emergency telephone number should be listed for each child. If a parent cannot be reached, the emergency number will be called. Any time a child leaves school early due to illness, he or she must be dismissed through the school office. Parents are asked to report to the office and check the child out of school.

Students who must take medicine during school hours will give the medicine, including Aspirin, Tylenol, etc. to the school office upon arrival at school. The medicine dosage and time should be clearly stated in writing. School personnel will give oral medication only by individual orders of a physician and /or legal guardian. Both prescription and "over the counter" medications must be sent to school in the containers in which they were purchased and must be accompanied by written authorization from the parent or legal guardian. Please do not send any medication in envelopes, unmarked containers, etc. All medications must be in the original container.

Daily Schedule

All students are to go to the cafeteria if they arrive before 7:55

7:30 Jr. High Building Opens
7:30-7:50 Breakfast Served
8:00 School Begins
3:25 Buses Load and 3:30 Buses Depart

Attendance

Regular attendance is a priority of the Centerville R-1 School District. It is vital that every student receives the opportunity to gain the interaction and information to develop a quality education. The teaching process that takes place in the classroom is rich with the use of multiple approaches to learning and can be hard to duplicate with pencil and paper make-up work. Every day is a valuable learning experience for your child at school. We realize that sometimes absences may be unavoidable; however, when a student is not in the classroom, they miss valuable instruction time that cannot always be regained.

Students are expected to arrive on time for class each day. If it becomes necessary for a student to miss a day of school, parents are requested to contact the school by calling the office or sending a note. **Students will be expected to make up work when absent.** Parents can call and request make-up work to be picked up at the office. Please call early to allow time to get assignments and books together. When absences are planned in advance, please contact the classroom teacher so arrangements can be made ahead of time for make-up work.

When five (5) or more absences are recorded for a student during one semester, school personnel will contact the parents. **Absences that reach 7 days per semester are considered critical to the student's progression to the next grade level. Based upon Missouri School Improvement guidelines, all students are required to have a 90% attendance rate. If your child does not maintain a 90% attendance rate, parents/guardians will be asked to conference with the Superintendent.**

If more than ten (10) absences occur, the superintendent will contact the parents. Excessive absences can result in the student's lack of success and consideration for retention will be necessary. If a student is absent for more than 10 days for the school year without a doctor's excuse or other proper medical documentation, the student may not be promoted to the next grade level. Notification will be made to the Division of Family Services and/or Juvenile Authorities.

Note: Students not attending school will not be allowed to attend extra-curricular activities sponsored by the district unless prior arrangements are made with the Superintendent. Students must attend at least 3.5 hours of the school day to attend any school sponsored activities, unless prior approval from Superintendent.

Excused absences: (1) illness/injury; (2) death or serious illness in the immediate family; (3) others such as doctor's appointment, court, school approved functions; (4) extenuating circumstances that may be approved by the administration; (5) certain religious observance

Attendance Incentives

Because the Centerville R-1 School District feels that good attendance is vital to the educational process, each year the school will provide incentives for students to try to obtain exemplary attendance records. The attendance incentive program for each school year will be decided at the beginning of the year Incentive Meeting. All parents are encouraged to attend and have a voice in those choices.

Students are encouraged to use the LMC for research and reading, individually or in small groups during the times when the LMC is not scheduled for class use. Kindergarten-First grade	1 book
Second grade	2 books
Third grade	3 books
Fourth-Eighth grade	4 – 6 books

If a book is overdue or lost, the student may continue to check out books. If three notices to the parent or guardian and the book has not been returned or paid for, check out privileges will be suspended. Teacher Conferences

Teachers are available for conferences during their daily plan times and during arranged times before or after school. Daily conference times for teachers can be obtained from the teacher or through the office. **Classroom instructional time is a priority and teachers are not available for conferences during this time.** Parents are encouraged to maintain contact with teachers during regular conference times and other arranged times. Parents can arrange conferences by a note to the teacher or a call to the office. Throughout the school year, Parent/Teacher Conference days are scheduled. Notices will be sent home for scheduling on these special days. **No recordings allowed during these conferences or any meeting you may have at our school.**

Dear Parents/Guardians and Students:

Welcome to Centerville School. The faculty and staff join me in saying we are happy to have you as part of the Centerville School family. We have a long tradition of providing a quality education for our students. Our teachers are dedicated to providing the children in our school the best possible education.

Our school district's purpose is to provide a positive and safe academic environment that strives to create independent, well-rounded, life-long learners. We believe a close working relationship between home and school is essential in providing an educational environment that best meets the needs of each child. Our common goal is to offer a rich, comprehensive program of instruction that prepares students for an exciting and challenging future.

We feel that open and clear communication between school and home is important to the success of our educational program. The pages of this handbook are filled with important information regarding school policy and procedures. This is intended to be a first step in developing a valuable exchange of information between school and home. Please read and discuss with your child the information contained in this handbook. There is a page at the back of the handbook that needs to be read, signed and returned to school by Friday, August 23, 2019.

Parents are vital and necessary partners in the important job of educating the children of this community. I appreciate your input in your child's education; please feel free to call me anytime. Thank you for your commitment to our partnership.

The entire staff welcomes your participation and support during the school year and solicits your **ACTIVE** membership in the PTO. Working together, we will be able to reach our collective and individual goals. We look forward to celebrating with you the achievements of our students.
