7th & 8th Virtual School Schedule

This schedule is what we will follow if we get sent home because of COVID-19 and have to do virtual schooling. I will be teaching online through Google Meets and you will have to sign in daily at the times listed below and be interactive within the class. You will have ample independent time to work on assignments as well during these times.

This is not a choice by choice basis, this is a requirement and being logged on, actively participating and turning in work is all for a grade.
