FROM: Centerville R-1 Board of Education

DATE: 24 November, 2020

Due to the increase in COVID 19 cases within our county and the expected surge in cases resulting from holiday travel and gatherings, the Centerville R-1 Board of Education has made the decision to extend the current school closure throughout the remainder of the year. Virtual learning will continue for the 12 scheduled days in December. We will return to in-person learning on January 5<sup>th</sup>, 2021 with a mask requirement district wide.

We have consulted with Reynolds County Health Center on the decision to extend the closure and the mask requirement. We are striving to help curb the spread of this disease in our community. We will continue to monitor the situation and make decisions going forward with Safety as our Number 1 priority.

Please remember that Social Distancing, Handwashing, and the Wearing of Masks all help in SLOWING the spread of this disease.

We appreciate your help and cooperation during this time.
